

# DANIEL ENRIQUE PUERTO DAZA

## WEB DEVELOPER UI

About 10 years working as web developer front end in digital agencies, using JS (ES5, ES6), a little bit of AngularJS and VueJS, and mainly ReactJS. Also worked with a lot of recognised accounts like, Adidas, Unilever, LAN, Amarilo, General Mills, ABInBev and Kimberly Clark. Also, I currently work at Endava as web developer Front End with a single client Built.
