

ORLANDO ANDRÉS SUÁREZ

SYSTEMS AND COMPUTING ENGINEER

ABOUT ME

Systems Engineer with over eight years of experience in both Back-end and Front-end development. I'm known for my quick learning skills and ability to handle different tasks responsibly and efficiently. I'm great at solving problems and working well in teams to achieve our goals. I've picked up a lot of knowledge in development tools and languages through my work and my own exploration. I'm also good at managing customer relationships, helping them understand their needs and providing support when they need it.

HARD SKILLS

- Java
- Python
- Angular, React, VueJS
