Wah Cantt, Pakistan

linkedin.com/in/muhammad-shahzad-ul-hassan-frontend-developer

I'm a skilled Frontend Developer with a focus on crafting responsive, user-centric interfaces. I excel at transforming complex challenges into seamless digital solutions, leveraging modern HTML, CSS, and JavaScript frameworks like Angular and Vue. My commitment is to delivering intuitive, visually compelling applications that enhance user experience and drive meaningful engagement.

## WORK EXPERIENCE

### JavaScript Developer(Angular) EU Tech Chamber

08/2022 - Present

Remote

#### Achievements/Tasks

- Lead the development of complex, scalable, and maintainable Angular applications, ensuring best practices and coding standards are upheld.
- Conduct thorough code reviews, providing constructive feedback to ensure code quality and mentor junior developers to elevate their skills and understanding of Angular.
- Implement CI/CD pipelines to automate testing and deployment processes, ensuring rapid and reliable delivery of features.
- Design and develop reusable, modular components using Angular best practices, enhancing the maintainability and scalability of the application.
- Integrate RESTful APIs, handle asynchronous data retrieval, and manage data binding across the application.

### Front End Developer Apollo Telecom

10/2018 - 08/2022

Islamabad

#### Achievements/Tasks

- Development & Deployment □ Determining the structure and design of web pages.
- Ensuring user experience determines design choices.
- Striking a balance between functional and aesthetic design.
