

Elkin Rodriguez

Software Developer

I'm a Software Developer passionate about code optimization and performance tuning for exceptional user experiences. I got solid knowledge in Object-Oriented Programming (OOP), Search Engine Optimization (SEO), debugging code, algorithms and Data Structures. Furthermore, I have been specializing in User Experience to design and develop functional applications to achieve the highest quality of the delivered product. Also, I have strong communication skills, adaptability and problem-solving mindset.

WORK EXPERIENCE

Software Engineer

January 2023 – June 2023

Nub 7/8, Bogota, COL

SKILLS

Languages:

- Spanish (Native)
- English (Advanced)

Programming languages & Frameworks:

- HTML5
- CSS - SASS - SCSS
- Bootstrap5
- Tailwind CSS
- Material UI
- JavaScript
- TypeScript
- RESTful API
- ReactJS
- AngularJS
- NodeJS
- NextJS
- Redux
- JSON
- SQL

Development Tools:

- VS Code
- Git
- GitHub
- Docker
- Postman
- Jira
- AWS Services

Design Tools:

- Figma
- Adobe XD
- Overflow
- Miro

Team-Work Methodology:

- Scrum
