📅 1999 September 11

in https://www.linkedin.com/in/sebastian-vargas-b60038220/

I am a person with academic qualifications and a research-oriented spirit who applies acquired knowledge appropriately, aiming to maintain leadership in the pursuit of common good within work groups and their optimal development.

I consider myself an organized and highly motivated individual. I learn quickly and can adapt to any circumstance, always giving my best in any project. At the same time, I strive to work collaboratively as part of a team.
Full-Stack developer with over 4 years of experience in the professional field.
I have worked in several projects performing different positions in the development area such as: Mobile
applications in Flutter, Front-End layout and consumption of Full Rest API in Angular - Bootstrap, Development
of Back-End API in NodeJS, Express, NestJs, GraphQL, Mongoose, Development of Web Service Soap (Simple Object Access
Protocol) in Java...
