Martin Piovani

BIO

I was born in Uruguay on November 28th, 1991. In 2001 I moved to the United States with my family and returned to Uruguay in 2008. In 2013 I started working full time at a Non-Profit in Brazil as a Systems Administrator and Fullstack Web Developer, also traveling to more than 20 countries to produce and stream live events. Since May 2021, I have been working as a senior full stack software engineer at Overactive, recently acquired by Perficient.
