Date of Bith: November 22, 1988- Lima, Peru
National Document or DNI: 45483321

SUMMARY

Professional with experience in analysis, design and develop systems with Java and PHP languages, have the opportunity to participate in project applying methodologies as SCRUM and Design Patrons for example SOLID and MVC. I have experience working with SpringBoot, Struts 2.0 and Java Server Faces (JSF), managing the jsp template manager with Bootstrap to make this a responsive design. I also have extensive knowledge in handling SQL statements, store procedures, views, functions, with PLSQL, Oracle Database, Mysql, SQL Server, Postgres. Experience developing SOAP, REST, Webservices experience in OSB (Oracle Service Bus). On the other hand, I have experience in Oracle EBS Forms, Reports and Oracle Hyperion, web page design with advanced English skills (reading, speaking).

PROFILE

• Microservices
• SpringBoot, Struts2.0, JSF
• Java 7, 8, 11
• Web Services SOAP, REST.
• OSB (Oracle Service Bus)
• Frontend Angular NodeJS, React.
• Bootstrap
• Ajax, Jquery, Javascript
• Subversion (SVN), Git, GitBash, Bitbucket
• IDE's Eclipse, STS, JDeveloper, Jboss Studio, Netbeans, IntelliJ
• Maven, Gradle
• Deployments Servers Weblogic12, Tomcat, Jboss Server, Glashfish
• SoapUI, Postman
• JasperReport
• PLSQL Oracle, Postgres, Mysql, SQL Server, Informix
• ODI
• GO Pipelines platform
• Linux Centos
• Junit, Mockito
• SonarLint
• JPA, ibatis, Hibernate

ACADEMIC TRAINING

Higher

- **UNIVERSIDAD PERUANA DE CIENCIAS APLICADAS (UPC) (Studying to date)**
  5th Cycle *
  Business Administration

- **UNIVERSIDAD NACIONAL DE INGENIERIA (UNI) 2015 and 2019**
  Modules: Java, Oracle Database, Android Studio, Angular

- **UNIVERSIDAD CESAR VALLEJO (UCV) 2005 to 2010**
  Systems Engineer

- **OPEN ENGLISH (2013 and 2021)**
  Advanced English

PROFESSIONAL AND WORK EXPERIENCE

MDP CONSULTING (From 01/11/2020 to Date)
Position: Lead Engineer
Participation in the Inteligo Divemotors and Telefonica projects that is part of the Interbank Group, attention to the requirements of the Risk Investment profiler, changes in reports, creation of forms, modifications in the profiler.

Position: Oracle Consultant
Projects
- **Cervesur Corporation**
Treasury Module Consultant (Treasury)
Upgrade Oracle EBS 11i to 12.1.3
(From February 2012 to date) 5 months
The migration of Oracle EBS from version 11.1.5 to version 12.1.3 is being carried out, for this purpose presentations were made to the client regarding the new features of this new version, then end users were trained to use these new features, the time estimate was made for the migration of their reports, extensions and other customizations of all modules.
        Febrero2012-Setiembre2012

- Agip Oil Ecuador
Analyst
Upgrade Oracle EBS 11i to 12.1.3
(January 2012) 1 month
We are migrating Oracle EBS from version 11.1.5 to version 12.1.3, we made the time estimation for the migration of its customizations (reports, forms, sql procedures, packages, views, etc) of each of its modules.
        January2012

- **Pluspetrol**
PI Manual Logger Consultant
PI Manual Logger
(From September 2011 to December 2011) 4 months
The system was implemented in the Gas processing plant of the Camisea Project in Malvinas for Lot 88, the system was implemented in the Quality Control and Fiscal Measurements Laboratory of Pluspetrol. Three trips were made to the plant, the first one for information gathering, the second and third for training in the solution and production start-up.
        September 2011-December 2011

- Sygnusconsulting (Lima-Peru)
Discoverer Functional Consultant
Implementation of Discoverer AP,AR,GL structure.
New Business Areas were configured through Discoverer Administrator for Account Payables, Account Receivables and General Ledger for use via Discoverer Plus and Viewer.
        July 2011

- Proagro (Lima-Peru)
Functional Consultant for Receivables
Rectification of Sales Register - Locations
We coordinated with the user the observations regarding the incorrect data that was showing the Sales
Register, then the adjustments were made and validated again.
        July 2011

- Makro Superwholesaler (Lima-Peru)
Payables Functional Consultant
Locations - Import of Documents with Location Data
Training to users on how to correctly import invoices with location information.
        June 2011
